Thurs 5 July	Lions Public Speaking, Year 5/6 Presentations
Fri 6 July	Assembly – all welcome!
	Last day of Term 2

PRINCIPAL'S MESSAGE

Welcome to Week 7. We hope everyone enjoyed the long weekend. It was nice to have the extra day to rest up part way through the term.

This week we have a number of students competing at the Riverina Cross Country in Gundagai. We wish them safe travel and a great day of competition.

Students selected for our two debating teams continue to practice in preparation for a series of inter-school debates to happen this term. This week, we will host the Deniliquin North Debating team. Mr Minnis from Barham Koondrook Lions will adjudicate as the visiting school team debates our two school teams. Mrs Radywonik is in as debating coach, and is excited to see the students engaging confidently with their learning.

On a sad note, we received news last week of the passing of Jan Cook. Jan was the Country Areas Program (CAP) Consultant for the Deniliquin District for many years, and a dear colleague to many of principals and teachers in our network and region.

Jan was instrumental in the success of many learning projects that our students had the fortune to participate in. As CAP consultant and later as *Leader in Professional Learning & ICT Practice*, Jan worked collaboratively with schools to plan and coordinate exceptional learning opportunities for our students, and for teachers. We extend sincere condolences to Jan's family, and express our deep honour in having had the opportunity to work with Jan.

Last week, staff attended the annual CPR and Anaphylaxis training. Thank you to all staff for their commitment to professional learning and dedication to our students.

Enjoy the week ahead.

Catherine Peach

MRS ROKOBARO

Last week, Mrs Rokobaro announced her decision to resign from the teaching position at our school due to family circumstances. Mrs Rokobaro will finish up at the end of this term.

The school is working through department processes to fill the class teacher position for Term 3 and Term 4. The school has worked tirelessly to make sure students in both Year 5/6 classes have consistency in learning. Mrs Sweeney and Mrs Rokobaro, with the support of Mrs Mathers, have been collaboratively programming and instructing to deliver the same learning to students in both classes. The school is committed to keeping disruptions to a minimum.

The school will keep students and families informed as organisation for the rest of the year unfolds.

WEEK 6 ASSEMBLY

Well done to the Year 1 students for their wonderful effort in leading the Assembly last Friday. With dedicated practice and great support from Mrs Barker and Mrs Mathers, the students were well prepared and spoke confidently and clearly as they led us through the assembly items.

Despite the problems with our PA, our students stepped up to showcase the learning they have completed during Term 2. Well done students.

The assembly was a long one but well worth the extra time. Year 5/6 Blue entertained the assembled audience with a song, and by presenting their building models with an explanation of the research and design processes that they followed. Great learning students! Thank you to Mrs Sweeney and Mr Smeal for preparing the students.

Kindergarten Award Recipients

*Year 1 Award Recipients. Absent at time of photo–
Tennysen O'Neill, Frederick Phillips*

Year 2/3 Award Recipients

*Year 4 Award Recipient. Absent at time of photo –
Lachlan Salter, Bodhi Borley and Matilda Burbury.*

*5/6R Award Recipients. Absent at time of photo– Millie
Borley*

5/6B Award Recipients

Garden and Kitchen Award Recipients

BARHAM HIGH PASS STUDENTS

Barham High School Year 10 students have been working with Year 2/3 students and Year 5/6 students as part of their learning in PASS. The High School students design physical education lessons for our students, and under the watchful eye of Mr Wren, conduct the lessons here at the primary school.

The sessions are full of action and are teaching the BHS students the importance of preparation, planning, concise instructions, and how clearly modelling the movement and games they are teaching and being active

Barham Public School Newsletter

involved in the lesson supports the learning of the students in their groups.

These sessions will continue throughout this term, with the last session in Week 9.

EXCURSIONS AHEAD!

STAGE 2 (Years 3 & 4) EXCURSION

The Stage 2 has been booked at the Campaspe Downs Adventure Camp, Kyneton.

- **Date:** 19-21 September (Tm 3 Wk 9).
