PRINCIPAL'S MESSAGE

Welcome to Week 6

Last week was a very busy week for students and staff. After the Mad Food Day and Preschool Library Visit on Monday and Tuesday, there was the third High School Transition Day for Year 6 on Thursday. On this day I travelled to Deniliquin to participate in the Principal Network Meeting. This was an opportunity to network with other principals on school planning and resourcing to enhance teaching and learning.

A big thankyou to everyone who participated in creating and wearing costumes for our book week parade on Friday. It was a fabulous day with the opportunity for students to interact with peers from other classes. A special thank you to Sara Mathers, our librarian for co-ordinating the event.

On Friday this week the SRC will be running a Crazy Hair Day to support Matilda's efforts to raise money for cancer research. Matilda will be getting her hair cut at the school assembly at 2.30pm. Let's all get on board!

Have a great week.

Roslyn Buchanan

CYBER-SAFETY

Paul Ebsworth and Jane Wall visited our school last week to share a cyber safety message with our students.

They taught me about social media. Don't post sill photos because you cannot take them off and they will be stuck there.

When you are doing anything you should think of the 3 Ps. Parent, Police, Principal. If they wouldn't think it was OK, don't do it.

Thomas

They taught me to think about posts we put online. If you are putting a post up you need to think 'How would my Grandma respond to that?'. It is also important not to post photos to show where you are when you post.

Bobbie

Celebrate Attendance

Hints and Tips No 1: Responsibilities

Parent/s or caregivers are required – by law – to provide a written or verbal explanation to the Principal within seven days of any absence as to why their child was not at school.

It is important that the school receives a written or verbal explanation because:

- (1) It is a parent's legal obligation to explain their child's absence within seven days
- (2) It is a requirement that the school investigate all unexplained absences
- (3) It avoids the school and the School Attendance Officer from making unnecessary investigations
- (4) It is the way the school knows that your child was legitimately absent and not truanting from school

If you have any difficulties in providing a written explanation for your child's absence, please contact your school principal.

Missing school leaves gaps in your education
